He laughed and called me a redneck and I don't even know what that means

CHORUS 1

G C F G
I said a redneck stops on the side of the road when there's somebody there in need
G D
He says yes sir, no sir, thank you ma'am please, says a blessing before he eats
G C Bb
He'll stand up and fight if he thinks he's right and most of the time he is
G D G
You shoulda thanked that boy and shook his hand, son, that's what a redneck is

G C F G
Now he might talk with a country drawl and use a little bit of slang
G D
But he don't cuss around womenfolk, no that'd be a shame

They used to use another name for him, but that's all changed I see

He was known as a southern gentlemen, what any real man out to be

Well my son home the next day and he was wearing a big old grin
G D

You know I thanked him good and proper dad, then I busted him in the mouth

I told him boy
